WORK EXPERIENCE

Assistant Manager-Finance | ALLEN Career Institute, Kota **(May 2025 - Present)**

(Established in 1988, **ALLEN** is one of India's largest education institutions in India, serving over 3 lakh students annually across 60+ cities, specializing in coaching for engineering, medical, and other competitive examinations, with expanding operations in India and overseas.)

- **MIS & Analytics:** Managed end-to-end process from data cleaning to developing MIS reports and dashboards covering travel, student, revenue, and geographical data, including variance analysis for performance review.
- **Cash MIS Structuring (Automation):** Developed an ML-based bank narration tagging tool (90%+ accuracy) to convert unstructured bank data into categorized cash MIS, improving visibility of cash movements.
- **Cash & Investment Tracking:** Built an Excel-based Function using LAMBDA to compute FD interest aligned with bank methodologies and reconcile accruals; maintained a mutual fund schedule with periodic NAV updates to track portfolio changes.
- **Financial Reporting:** Prepared financial statements for overseas entities, ensuring compliance with local GAAP from group consolidation.
- **Lease Accounting:** Applied Ind AS 116 **to 400+ leases** (including modifications/terminations), computing ROU assets, lease liabilities & P&L impact on Excel **without specialized software**.
- **ERP Implementation: Core team member** in Oracle ERP rollout – designing Chart of Accounts, Fixed Asset Register & Tax structures; co-ordinating with Implementation Partner and IT team for FA movement software development & integration.
- **Coordinated with Cost Auditor:** Reviewed each cost item, assisted in preparing inputs for the Cost Audit report, and resolved cost auditor queries.
- **Assisted in Statutory Audit:** Prepared and maintained schedules including RPT, loans & advances, fixed asset register, lease schedules, FDs, mutual funds and other expenseaddressing auditor queries

Consultant | Raj Ratan Tours & Travels, Indore **(Jan 2025 - Apr 2025)**

(Established in 2004, a leading inter-city bus service provider based in Indore, operating 40+ luxury and standard coaches across multiple states with focus on safety, reliability, and passenger comfort.)

- **Automation & System Development:** Built Excel-based tools for Trip Sheet automation (General, Summary, Diesel, Mileage), developed Excel-to-Tally import utility for accurate accounting, designed a linked database for driver & cleaner tracking (advances, allowances, expenses), and created **auto-generated** "**Luggage Statement for Agents**" to streamline receivables and payables.
- **Financial Review & Accuracy:** Reviewed ticket booking reports to ensure correct revenue recognition, posted journal entries to align software output with financial books, and reconciled receipts and bookings to maintain consistent reporting across systems.
- **Recruitment Support:** Assisted in hiring CA & MBA candidates, including job promotion, application screening, interviews, and designing Excel-based case studies and technical assessments for candidate evaluation.
- **Team Upskilling & Enablement:** Trained staff on Excel functions (PivotTables, VLOOKUP) and introduced AI tools (e.g., ChatGPT) to enhance reporting, query resolution, and daily workflow efficiency.

ARTICLESHIP EXPERIENCE
